

Introducing the St Mildred's Passport of Experiences

Dear Parents

We are excited to launch our new Passport of Experiences for our children at St Mildred's. The passport contains 40 things they will experience and achieve throughout their time with us. Some of them are things we think all children should experience like riding on the train, seeing a panto or visiting the beach, some are linked to our local area like going to Broadstairs library or having a visit from the RNLI, and some are linked to the topics we learn about in school like creating an art gallery or dressing as a pirate.

As the children go through St Mildred's they will collect a star for each of the things they achieve and experience and put it in their passport. Then at the end of their time with us they will get to take it home to keep.

If you would like to see the full passport you can see it on our website.

Many thanks
