Please be aware that we will be outside in ALL weathers apart from high winds and storms! It is vitally important that your child is dressed appropriately so that they can get the most out of their experience.

The clothing also forms an important barrier to protect the children against brambles, nettles stings and insect bites.

The school does have a supply of waterproof trousers, jackets and wellies if required. Please let us know in advance if you would like your child to borrow any of these items.
