This Weeks News

We are very excited that the Book Fair has arrived this week! We hope that you can visit us to buy a book today, Monday and Tuesday from 2.45.

This week you should have received the information about our upcoming Harvest Celebrations. As ever we are working with Thanet Food Link and supporting our own families by collecting donations of food for Food Parcels. We really appreciate your support with this and it really benefits our community. Please bring in donations on the day of your child's harvest celebrations which are detailed in the letter.

Year 2 had a lovely time visiting a local art gallery in Broadstairs this week to see all their lovely art. Our thanks to the team down there for supporting us with our visit!

Flu Immunisations

The School Nursing Team will be coming in to the school on Thursday 8th October to deliver the Childhood Flu Vaccination Programme. If you would like your child to have the flu spray then you must consent via the link attached to the letter which was emailed to parents.

Without this your child will not be able to have it.

The deadline for submitting your consent is 4pm on 5th October 2026.

Lunch time resources

We are really in need of large pieces of material and old sheets that can be used in our den building area. We are also after pegs and even old, small tents would be useful too!

We are also in need of paint brushes and rollers for use with our water and chalk boards. If you have any old brushes or rollers in good condition we would love to have them.

Thank you.

Rain Jackets

As the weather becomes more changeable and rain can be unpredictable, please ensure that your child brings a named, waterproof jacket into school each day.

Having a jacket available will help ensure that children can stay comfortable and enjoy outdoor activities whatever the weather. Please also remember to label all clothing clearly to help prevent items from being lost.
