

Dear Parents/Carers

I am pleased to say that I am now able to start up Choir again and am looking for new members from Years 1 and 2.

Please note that if your child attended Choir last year, their place will remain secured.

Numbers are limited so sadly there will be some disappointment.

Auditions will be held over a 2 week period from 5th October during school time. The audition process is to rehearse part of their favourite song or nursery rhyme and then sing a few lines in front of a few of their friends.

As it is a choir we do perform at various events throughout the school year. Therefore, I have to choose the best singers who are committed to attending weekly practice and who enjoy the experience of being on stage and performing in front of others.

If your child would like to sign-up to auditions, please fill in the link below by Friday 2nd October.

Choir will be on Mondays 3:10-4:10 and will begin on Monday 19th October.

Yours Sincerely,

Mrs. J Smith - Choir Lead
