

Year 1 Medium Term Plan Transport and Travel - Term 1

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
English: Writing	Write a list of vehicles. <i>WALT- write a list.</i>		Write a simple caption/sentence to name a vehicle. <i>WALT- to write a caption/sentence.</i> <i>WALT- know what capital letters look like.</i> <i>WALT- To use capital letters and full stops.</i>	'Don't Let the Pigeon Drive the Bus?' Speech Bubbles Exclamation marks and question marks. <i>WALT- to use speech bubbles</i> <i>WALT- to know what a question is.</i> <i>WALT - To use question marks and exclamation marks correctly</i>			RE week
Maths	Number place value within 10 Sorting and counting objects Recognising numbers as words Counting on from any number Counting backwards within 10 One more, one less					Addition within 10 Part whole model, writing number sentences and fact families (addition facts). <i>WALT- Identify and represent numbers using objects and pictorial</i>	

Year 1 Medium Term Plan Transport and Travel - Term 1

		Less than, greater than and equal to <i>WALT- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.</i> <i>WALT- counting forwards and backwards to 10.</i>	<i>representations including the number line, and use the language of: equal to, more than, less than (fewer)</i> <i>WALT- Read, write and interpret mathematical statements involving addition (+) and equals (=) signs.</i> <i>WALT- know number bonds to and within 10.</i> <i>WALT- Add 1-digit numbers to 10, including zero</i>
Science Materials		Materials - Explore materials Sort wood, plastic, glass and metal based on their different properties. Investigating materials based on absorbency and waterproof/not waterproof. <i>WWK- objects can be made from wood, glass, metal, plastic and rock.</i>	Materials Investigating materials Use their observations and ideas to suggest answers to questions Compare and group together a variety of everyday materials <i>WWK - Materials which are absorbent soak up water. Materials that are best at absorbing water are soft and porous. This allows them to quickly soak up and retain water.</i>

Year 1 Medium Term Plan Transport and Travel - Term 1

		WWK - An object is something that you can touch. A material is what the object is made from. WWK - Properties is a word that helps us to describe the look or feel of different materials. We can group different materials together based on their properties.	WWK - Waterproof means that water cannot pass through an object or material. It is something that keeps water out.	
History	Black History Month Rosa Parks Dame Floella Benjamin: Read 'Coming to England' WWK: that Rosa Parks is famous for not giving up her seat and fighting for equal rights. WWK: that Rosa Parks was American WWK: that Rosa Parks was born in 1913			
Geography	Local walk Describe the locational features on a local map, using pictures.			

Year 1 Medium Term Plan Transport and Travel - Term 1

	WWK: Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. WWK: To describe the location of features and routes on a map in.					
Art and Design	Painting Colour mixing Using colour mixing skills to create a painting WALT- To become proficient in painting techniques. WALT- To use painting to develop and share their ideas, experiences and imagination. WALT- apply paint using a range of tools - brushes WWK: that red, yellow and blue are primary colours. WWK: to make secondary colours you mix primary colours.					
Music	Charanga - My Musical Heartbeat!					
P.S.H.E.Relationships		Being me in my world Special and Safe	Being me in my world My Class	Being me in my world Rights and responsibilities	Being me in my world Rewards and feeling proud	Being me in my world Owning our learning charter

D.T.	Reviewing Joining techniques learnt in Reception - Flange - L- Brace	Joining techniques. - Split Pin - Slot - Tab <i>WALT: join materials with some support.</i> <i>WWK: that split pins, slots and tabs are ways of joining materials.</i>
P.E.	Gym - Unit 1 The PE Hub - Unit 1 - Attack Defend Shoot	
Computing	E-safety - We know how to use the internet safely and respectfully - identify where to go for help and support <i>WWK- to tell a grown up (TAG) if we see something that makes us feel worried.</i> Algorithm and bee-bots. <i>WWK: an algorithm is a sequence of instructions.</i>	
Topic	Transport and Travel Local walk Air, water, road and rail Past and present (vehicles)	

Year 1 Medium Term Plan Transport and Travel - Term 1

	Design a vehicle of the future
Retrieval Rabbit Facts.	Science WWK- objects can be made from wood, glass, metal, plastic and rock, WWK when water freezes it turns to ice WWK Some materials float and stay at the top of the water and some sink and go to the bottom
	History WWK: that Rosa Parks is famous for not giving up her seat and fighting for equal rights. WWK: that Rosa Parks was American WWK: that Rosa Parks was born in 1913
	Art & DT WWK: that red, yellow and blue are primary colours. WWK: to make secondary colours you mix primary colours. WWK: that split pins, slots and tabs are ways of joining materials.
	Computing WWK- to tell a grown up (TAG) if we see something that makes us feel worried. WWK: an algorithm is a sequence of instructions.

Year 1 Medium Term Plan Transport and Travel - Term 1

Topic

WWK: Vehicles and transport help people or things move from one place to another.

WWK: There are four types of transport: air, water, road and rail.

WWK: cars, trains, boats and aeroplanes are types of transport.
