We will know - Objects are made from different materials such as wood, plastic, metal, brick, glass, rock and paper. Some materials change shape by bending, stretching, twisting and squashing. We can name objects suitable for each material e.g. window for glass. Recyclable means it can be used again.	We will know- To tell a grown up if we are unhappy with something we see online. How to enter text into a word processing program using the shift key, backspace key and return key. That my name, school and address are personal information and I should not share it	We will know- Who to ask for help when I feel worried.	We will know- The four compass directions are North, South, East and West. A key is a set of pictures that show you what's on a map	We will know- Jackson Pollock invented 'drip painting'. Georgia O'Keeffe painted flowers close up. Mondrian painted with primary colours which are red, blue and yellow.	We will know- Christians believe God created the world in 7 days
